

First Semester	Second Semester
1st Six Weeks Unit 01: Atomic Structure (6 Days) 8.8AB Unit 02: Physical and Chemical Properties (8 Days) 8.9BD Unit 03: Interactions of Matter and Energy (10 Days) 8.9AC; 8.10AC Applicable process TEKS are identified on the TEKS Verification document.	4th Six Weeks Unit 08: Changes over Time (15 Days) 8.12A; 8.14AB Unit 09: Interactions within the Environment (10 Days) 8.10B; 8.12B Applicable process TEKS are identified on the TEKS Verification document.
2nd Six Weeks Unit 04: Interdependence among the Systems of the Human Body (11 Days) 8.6AB Unit 05: Heredity and the Environment: Traits and Genetics (11 Days) 8.11BC Applicable process TEKS are identified on the TEKS Verification document.	5th Six Weeks Unit 10: Force and Motion (10 Days) 8.7A Unit 11: Waves (9 Days) 8.7B Unit 12: Universe: Stars and Galaxies (5 Days) 8.13A Applicable process TEKS are identified on the TEKS Verification document.
3rd Six Weeks Unit 06: Heredity and the Environment: Traits and the Ecosystem (14 Days) 8.6C; 8.11A Unit 07: Changes in the Earth (11 Days) 8.12C; 8.14BC Applicable process TEKS are identified on the TEKS Verification document.	6th Six Weeks Unit 13: Universe: Explorations (15 Days) 8.13BC Unit 14: Experimental Design (7 Days) 8.2ABCDE; 8.3AE Applicable process TEKS are identified on the TEKS Verification document.
